3. (a) The ongoing post-petition payments on the Debtor's student loan debt, as determined under the IDR plan, may be paid directly by the Debtor to Department of Education/Mohela/aidvantage. Or (b) as an alternative to a direct payment the plan may provide for the payment under the IDR to be made by the Trustee. 4. The plan shall classify the student loan debt paid under the IDR plan as a separate classification as long term debt.

5. Department of Education/Mohela/aidvantage shall accept payments made by the Debtor while this case is pending in accordance with the IDR plan. Department of Education/Mohela/aidvantage shall provide to the Debtor statements concerning periodic payments and any other written communications that are provided to nonbankruptcy borrowers in the ordinary course of servicing a student loan under the IDR program.

6. It shall not be deemed a violation of the automatic stay or other applicable State or Federal laws for the student loan creditor or its servier(s) to send the Debtor normal monthly statements regarding IDR payments due and any other communication including, without limitation, notices of late payments or delinquency. These communications may expressly include telephone calls and emails if the Debtor has agreed to accept electronic communications under normal processes established by the student loan creditor or its servicer(s).
